

Teen Volunteer Opportunities

We can always use the help of teens at Time Out Thrift Shop. The minimum age to volunteer at the shop is 16 years old and one must be able to commit to a minimum of 10 hours.

Responsibilities include assisting customers with selections, receiving and processing donations, handling sales, creating displays and performing other typical retail tasks.

Because all proceeds from store sales are donated to the shelter, working in these locations qualifies as volunteer community service. There are other benefits:

- Students thinking about business, marketing or merchandising careers learn special skills related to retail activities and gain experience in that area.
- You may be able to work on a project basis if you need only a few hours to meet a school requirement.
- The shop offers weekend opportunities.
- You make new friends and may realize the joy of knowing you are making a difference.

To volunteer at Time Out Thrift Shop, please apply in person at the store.
